songs of love, laughter, and hope

David Gordon is a troubadour who has charmed audiences worldwide for more than 40 years with his compelling voice, his keen sense of drama, and his wacky wit.

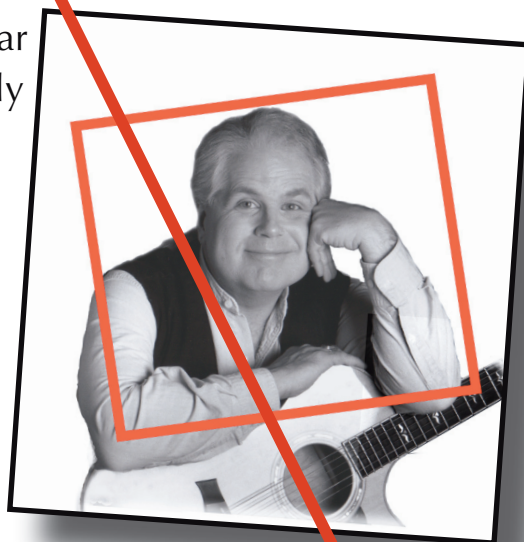

With a wide variety of songs of love and laughter, David weaves a soothing musical tapestry with his irresistible vocals, gentle guitar stylings, stories, musings, and his own uniquely goofy brand of humor.

This intimate and informal afternoon of music features everything from traditional ballads, songs by Cole Porter, and Fats Waller, to uplifting and thought-provoking contemporary tunes.
